FLOORS- All types including asphalt & rubber tile, terrazzo, marble, linoleum, wood, etc. Use 2 oz. ARC per gal. of lukewarm water; mop or spray solution on surface; soak 5 minutes. Rub extra dirty spots with mop. Pick up dirtied solution with dry mop.

WALLS, WOODWORK, BLINDS- Add 1 to 2 ozs. of ARC to 1 gal. of water. Moisten clean cloth with solution; wipe off dirt and grime from the surface.

GLASS- Add 1/4 oz. of ARC to a gal. of water. Moisten a cloth in solution and dampen rubber burned spots.

WAX REMOVER- Add 4 ounces of ARC to a gal. of hot water. Mop floor; let stand 5 minutes. Remove excess liquid with a dry mop. Rinse with water.

CEMENT SURFACES- Surfaces not cleaned for a long time or have accumulated deposits of grease, oil, and dirt, use 4 ounces of ARC to a gal. of water. Allow solution to "wet through" the dirt by standing a few minutes. If necessary, scrub with stiff brush; rinse by hosing. Remove excess liquid with dry mop. Ordinary cleaning requires 1 to 1 1/2 oz. of ARC to a gal. of water.

DEGREASING- Add one part ARC to 10 parts water; place solution in tank or vat. Parts to be cleaned can be dipped or soaked until dirt and grease have been emulsified and float free. For cleaning bulky machinery, use the same solution by applying with a stiff brush or cloth. Surface should be covered with a film of light mineral oil after cleaning to prevent rusting.

LEATHER- Add 1/2 to 1 oz. of ARC to a gal. of water. Moisten a cloth with solution. Wipe over the surface to be cleaned and dirt will wipe off. Safe for fine leather or artificial leather.

DISHES- Use 1 oz. of ARC in a gal. of water and use like ordinary soap. Dishes rinse clean and sparkle without drying.

CLOTHES- Use 1 oz. ARC per 8 lb. load washing machine in the first or soak operation. Then use regular formula (bleach and soap or detergent) in wash cycle. ARC eliminates need for rubbing neck bands and cuffs.

WARNING: Harmful if Swallowed: Irritant to mouth, throat, esophagus and stomach. **Avoid Breathing Dust or Mists:** Irritant to mucous membranes of the respiratory tract. **Avoid Eye Contact:** Irritant to eye tissues. **Avoid Contact with Skin:** Irritant to all skin tissues. **PERSONAL PROTECTION:** Wash thoroughly after use. Use with adequate ventilation. Chemical type goggles recommended. Impervious rubber or neoprene gloves recommended. **First Aid: INHALATION-**Get to fresh air. **EYES-**Flush with plenty of water for at least 15 minutes. See a physician. **INGESTION-**Do not induce vomiting. If conscious drink plenty of water. Call a physician or poison control center immediately. **SKIN-**Flush with plenty of water. READ THE MATERIAL SAFETY DATA SHEET (MSDS) BEFORE USING THIS PRODUCT.
