

DESCRIPTION:

This highly alkaline drain opener contains a blend of mineral alkalis to aggressively attack all types of organic and cellulosic blockages in drains and pipes. Unlike pure lye products, this laboratory tested product contains potassium to form highly soluble reaction product that will not form a new blockage further along in the drain system. Unlike acid openers, contents are safe and non-injurious to pipes, pipe glue and septic systems.

• Dissolves and removes obstructions formed by grease, cloth, hair, paper sludge and other organic matter.

DIRECTIONS: Pour 16 ounces of this product directly into drain and allow to stand

$\frac{1}{2}$ hour. Repeat if necessary. Extremely heavy grease stoppages may require overnight contact. For large industrial drains use 32 ounces of this product. Let stand $\frac{1}{2}$ hour, flush and repeat if necessary. **FOR PREVENTATIVE MAINTENANCE:** Use 16 ounces of this product weekly to prevent sludge build-up. Do not handle or use until safety precautions have been read and are understood. Keep away from fumes when adding solvent. Do not stand over opening when using this product. Do not add to hot water. Wear face shield or goggles, rubber gloves and protective clothing when handling. Do not allow solution to contact skin, clothing, mucous membranes or eyes. Do not swallow. Do not use with, before or after other drain openers or chemicals. While making solutions, add slowly to surface to avoid splattering.

ALKALINE DRAIN OPENER

NON-ACIDIC
FAST ACTING
NON-INJURIOUS TO PLUMBING

Quickly Dissolves Stoppages And
Blockages In Drains, Sinks And Grease Traps

WARNING: Harmful if Swallowed: Corrosive to mouth, throat, esophagus and stomach. **Avoid Breathing Dust or Mists:** Corrosive to mucous membranes of the respiratory tract. **Avoid Eye Contact: Corrosive to eyes:** Burns eye tissue, cornea and retina. **Avoid Contact With Skin:** Corrosive to skin, causes severe & rapid burns, destructive to tissues on contact. **PERSONAL PROTECTION:** Wash thoroughly after use. Use with adequate ventilation. Chemical type goggles recommended. Impervious rubber or neoprene gloves recommended. **First Aid: INHALATION-**Get to fresh air. **EYES-**Flush with plenty of water for at least 15 minutes. See a physician. **INGESTION-** Do not induce vomiting. If conscious drink plenty of water. Call a physician or poison control center immediately. **SKIN-**Flush with plenty of water. **READ THE MATERIAL SAFETY DATA SHEET (MSDS) BEFORE USING THIS PRODUCT.**
